

Home Theater Install (Labor Charges)

Flat-Panel Wall Mounted T.V

W.S to mount your flat-panel television onto a wall, brick, concrete, over a fireplace, on a pole-mount, or outside.

- \$200.00

Standard Home Theater Setup

Enjoy your new TV and home theater speakers rather than reading the setup manuals with this standard home theater setup service. We will perform all of the work needed to set up your TV, speakers and components into a full-functioning home theater system. (No wires concealed, no holes drilled, no speakers or receivers mounted)

- \$199.99

Premium Home Theater Setup and Mount

Save space and add style to your living room by mounting your TV and speakers on the wall with this premium home theater setup service. We will do the heavy lifting and make sure that the TV and speakers are installed properly along with integrating your home theater components into a cohesive system. **(Setup includes: full TV mounting, Speaker, and Receiver install, Concealing of wires will also take place).**

- \$499.99

Front Projector Installation

You supply the space, mounting bracket and cables and we'll hang your projector and screen. Plus, we'll conceal the audio and video cables in between to give you a clean, polished look.

- \$599.99
